February 2015

Employment Background Investigations

Volume 22 Issue 2

Notice To All Employment Screening Clients

In-House and Online Services

Effective March 1st, 2015 Orca will be increasing the cost of an Employment Screening report by TWO DOLLARS (\$2.00).

Employment Credit, Employment Mini, Full Employment Background Checks

For example: If you usually order an Employment Mini Report (or whatever type of reports you have been choosing) the price will increase by TWO DOLLARS.

We at Orca are making every effort to keep up with the “cost of doing business” and at the same time, be fair to our clients WITHOUT COMPROMISING QUALITY. As you all are aware, the cost of ink, paper, telephones, computers, manpower, pens, pencils, electricity, etc....has continued to rise. Our prices have not been rising. Finally, we have no choice but to increase our prices in at least a small way to help offset the increased costs.

If you have any questions, feel free to email our billing department or myself. Our direct e-mail addresses are below.
